

LANDOWNER/LESSEE INTEREST FORM

Candidate Conservation Agreement & Candidate Conservation Agreement with Assurances for Texas Hornshell Mussel and Other Covered Species

I am interested in enrolling my land in a Candidate Conservation Agreement for the Texas Hornshell Mussel and Other Covered Species. I understand that by completing this form that I am NOT committing to any specific management action on my land, and that specific agreements will be negotiated based on an evaluation of my land and activities. I agree to be contacted by CEHMM or the New Mexico State Land Office to determine what conservation measures would be required on my land to enroll in the Candidate Conservation Agreement.
