WHY YOUR COMPANY SHOULD BECOME A SPONSOR AT THE 2023 IPANM ANNUAL MEETING!

New Mexico is the United States' second largest producer of oil, and maintains its position as eighth largest producer of natural gas. There is no better time to increase your company's exposure to producers, service companies, law firms, accounting firms, and other vendors that do business in New Mexico! Join us and be a part of the discussion shaping a brighter future for New Mexico at IPANM's 2023 Annual Meeting!

IPANM'S Annual Meeting is only possible through the generosity of our Sponsors. Sponsors set themselves apart from the pack by demonstrating support and leadership at one of our industry's most influential annual events. In return, Sponsors receive tremendous benefits and recognition during our Annual Meeting.

To become a sponsor, sign up online through our Sponsor Registration Page or mail in the form on Page 6 of this packet!

Yates Family Legacy Companies

Dear Members of the Independent Petroleum Association of New Mexico,

Since the completion of the first commercial oil well (Illinois #3 in Eddy County) on state lands in New Mexico in 1924, our family has been intertwined with the economy and cultural life of New Mexico. Yet, we never could have predicted that the oil boom in the New Mexico Permian would continue to this day! In 1978, members of our family, with others, decided that New Mexico needed a collective voice to amplify the specific issues impacting independent producers throughout the state. Thus, **IPANM** was born!

With the 100th anniversary of Illinois #3 next year, the **Yates Family Legacy Companies** are proud to link our family back to IPANM with our commitment to be the **2023 IPANM Annual Meeting's Presenting Sponsor**. IPANM's mission to protect, defend, and promote the role of independent producers in New Mexico is as important as ever. We hope many more of our industry colleagues will support IPANM as we prepare for the next century of safe, responsible oil & gas production — it is the cornerstone of human flourishing in New Mexico.

We look forward to joining all of our industry friends at Sandia Resort in Albuquerque in July!

Highest regards,
