## Yates Family Legacy Companies

### Dear Members of the Independent Petroleum Association of New Mexico,

Since the completion of the first commercial oil well (Illinois #3 in Eddy County) on state lands in New Mexico in 1924, our family has been intertwined with the economy and cultural life of New Mexico. Yet, we never could have predicted that the oil boom in the New Mexico Permian would continue to this day! In 1978, members of our family, with others, decided that New Mexico needed a collective voice to amplify the specific issues impacting independent producers throughout the state. Thus, **IPANM** was born!

With the 100th anniversary of Illinois #3 this year, the **Yates Family Legacy Companies** are proud to link our family back to IPANM with our commitment to be the **2024 IPANM Annual Meeting's Presenting Sponsor**. IPANM's mission to protect, defend, and promote the role of independent producers in New Mexico is as important as ever. We hope many more of our industry colleagues will support IPANM as we prepare for the next century of safe, responsible oil & gas production — it is the cornerstone of human flourishing in New Mexico.

We look forward to joining all of our industry friends at Tamaya Resort in Albuquerque in July!

Highest regards,

Peyton & Hanson Yates	Harvey & Emmons Yates	George & Lauren Yates	Frank, Jr. & Mary Yates	John A Yates Sr. Family	Fred Yates & Becky Yates Pemberton

**IPANM would like to thank the Yates Family Legacy Companies for their generous commitment to become the Presenting Sponsor Of Our Annual Meeting!**
