## Yates Family Legacy Companies

### Dear Members of the Independent Petroleum Association of New Mexico,

Since the completion of the first commercial oil well (Illinois #3 in Eddy County) on state lands in New Mexico in 1924, our family has been intertwined with the economy and cultural life of New Mexico. The **Yates Family Legacy Companies** are ONCE AGAIN proud to link our family back to IPANM as the proud **2025 IPANM Annual Meeting's Presenting Sponsor**. IPANM's mission to protect, defend, and promote the role of independent producers in New Mexico matches the pioneering spirit of Martin Yates, Jr., who started it all so many years ago.

We never could have predicted that the oil boom in the New Mexico Permian would continue to this day! In 1978, members of our family, with others, decided that New Mexico needed a collective voice to amplify the specific issues impacting independent producers throughout the state. Thus, **IPANM** was born!

**Join us this year as IPANM will honor Peyton Yates, IPANM's FIRST BOARD PRESIDENT!** We look forward to recognizing this great association's first leader on July 11, 2025 during our morning meeting session. It will prove to be a very special moment for our family and for the entire IPANM family. See you at Sandia Hotel & Casino!

Highest regards,
